## Our Chapter Is EXPANDING

Prayers are being answered and we are on track to hold at least one Good News Club in every school district in Somerset County. We also have several **NEW** Good News Clubs lined up to be held in Fayette County.

We are so excited to be a part of reaching more children with the Gospel this school-year! In addition to the amount of Good News Clubs increasing, participation is also increasing. Enrollment is up and students are inviting their friends! Our Windber 4th and 5th grade Good News Club is back and bigger than it was before schools shut down in 2020.

As this ministry expands, we find that we need **PRAYER!** We have been facing some opposition from different schools and it has been more difficult to get permission slips distributed in those districts. The need for **financial support** has also increased as we are in need of more teaching materials, devotionals and prizes for the students, and supplies and equipment for **two** offices. We have several new clubs that aren't sponsored yet. It is our goal to partner with local churches and have each Good News Club "adopted" by a church. Please pray for Trish as she continues to reach out to pastors to share about the Adopt-A-School program. Churches and individuals are able to make donations by mailing a check to the Somerset office or online through PayPal.

Please pray about giving. You can give a one-time gift or donate monthly. Your donation, in any amount, will make an eternal difference.
